Dear [Redacted]

STAT

This is to confirm that the Committee looks forward to seeing you and [Redacted] on Tuesday, March 11, 1986, at 2:00 p.m. for a briefing on the arms control compliance report. The briefing, to which Members have been invited, will take place in our Hearing Room, 219 Hart Office Building.

STAT

The briefing, which was volunteered by Allison Fortier of ACDA, will provide our first opportunity to examine and discuss in depth the issues which were raised in the compliance report and the annex. Members will be provided a summary of the report and annex prepared by our staff, as well as the full texts of the original documents. Therefore, I hope that the comments which you and [Redacted] direct to the Committee will not exceed a total of 30 minutes.

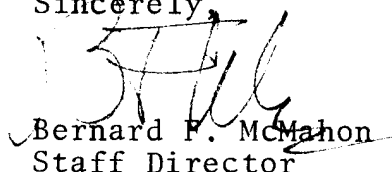

STAT

I anticipate that questions will focus on such intelligence-related issues as the capabilities needed to reduce ambiguity in our understanding of Soviet compliance behavior. I am sure that you will receive a number of substantive questions about particular Soviet systems, as well.

I look forward to seeing you on Tuesday.

STAT

Sincerely,

Bernard F. McMahon
Staff Director
